Subject: Dr. Jason Newsom

Gentlemen,

I want to voice my opinion as being strongly opposed to Dr. Jason Newsom's possible reappointment to lead the Bay County Health Department, one I believe is shared by the majority of Bay County residents. While Dr. Newsome may have some good ideas and certainly is a strong advocate for healthy living, his methods for carrying the message are offensive and do little other than antagonize most people. He is not the right person for the Bay County job and I urge you to make it clear to Florida Department of Health that the Bay County Commission does not support his reappointment. I recognize that the Bay County Commission does not make the appointment of the Bay County Health Department's Director position I do know that your support or lack of support for a reappointment carries tremendous weight with Tallhassee.

Thank you for your consideration,
Grady Stanley
